Not registered yet? **Register online**

To get started: You need your Dubai First credit card and your current TPIN.

Before you register, please make sure you have the following ready:

1. Your Dubai First credit card.
2. Your current 4-digit TPIN

? If you do not have TPIN, please call **04 506 8888** for assistance

Get started!

1 Log onto <http://www.dubaifirst.com/online>

2 Terms & Conditions

Carefully read the Terms & Conditions click "Accept" at the bottom and proceed with your online registration.

3 Choose your user ID

Enter your user ID (7-15 characters) The user ID MUST be alphanumeric (letters and numbers) or with the use of special characters.

4 Enter your Dubai First card number

Enter your 16 digit credit card number without spaces or dashes. You can use any of your Dubai First credit cards.

5 Set up your password

This should be 7-15 characters, with at least one numeric character. You will then be prompted to re-enter your password as confirmation.

6 Verify your identity

Finally, enter your 4-digit TPIN by using the virtual keypad on the screen, then click the "Register" tab.

Congratulations! You are now registered to use the Dubai First Online Service!
