

## MEET & GREET SERVICE

### Marhaba

Marhaba, the premier Meet & Greet Service at Dubai International Airport was launched in 1991 by the Emirates Group exclusively to assist passengers on their arrival and departure and to ensure that they have a relaxed journey. Marhaba, which translates to 'welcome' in Arabic, offers a range of products and services including full escort through airport formalities, a 24-hour Marhaba Lounge, and a Stretch Limousine Chauffeur service, leaving a lasting impression on passengers as they travel through Dubai International Airport.
